-Auto liability insurance pays for injury and damage caused to others in accidents in which you are at fault. It pays to the limits you choose by initialing below. Option A contains the minimum limits required by North Carolina and Camp Lejeune. These limits may not be enough to pay for damage caused by a severe accident. Your policy will be written with uninsured and/or underinsured motorist (UM/UIM) coverage set at the same limits you choose for your liability coverage. YOU MAY CHOOSE HIGHER LIMITS OF UP TO \$1,000,000 WORTH OF UM/UIM COVERAGE, REGARDLESS OF THE LIABILITY LIMITS I SELECT.

_____ Option A 30,000 per person, 60,000 per accident, 25,000 property damage, uninsured motorist to limit

_____ Option B 50,000 per person, 100,000 per accident, 50,000 property damage, under/uninsured motorist to limits

_____ Option C 100,000 per person, 300,000 per accident, 50,000 property damage, under/uninsured motorist to limits

_____ Umbrella coverages available which extend coverages upward of Option C
